Thor is a 1 1/2 yr old big, red Border Collie Cross. He is one of the best stop dogs I've had the pleasure of working with. There is no back up with this dog! He is extremely confident and listens very well. He is very kind, obedient and gets along well with other dogs and loves my 18 month old daughter. What this dog lacks in style he makes up for in raw power. One of the toughest dogs I've ever seen. Trained by Mason Winebarger.
