"Pepper" is a nice, big, stout, gentle red roan gelding. He has been used on the ranch for every aspect of ranch work. He is nice to rope on, we have used him for branding and doctoring. We have started team roping on him some this fall and he shows a lot of potential to go to the arena. Pepper is the same horse if you turn him out for a while, he has no bad habits, just ready to go to work when you get him back in.
