"Roanie" has been used for various aspects of ranch work in various parts to North Eastern Oregon. Born and raised in Baker County, Oregon. He has experience and been used in tough country and climate. Roanie's brothers and sisters by Jets Classy Otoe include AQHA ROM, World Show Qualifiers, Superior Heeling, Barrels and Heeling Futurity money earners, Big Loop money earners and just good old ranch horses. Roanie shouldn't be any different. Already solid in the branding pen and started heeling. He should make someone a great all-around gelding.
