"Wes" is a great gelding that has his whole life ahead of him. He has been in training with Flint Lee for 2 years, shown in the snaffle bit futurities, used on the ranch to gather and rope and has been patterned around the barrels. "Wes" is sound, goes all day and travels great. He will show in the snaffle Bit class on Friday. See him on www.youtube.com search for SR Dun Sailin. Call Flint for more info 775-722-5148.
