**Stock Horse:**  **Snaffle Bit:**  **Cutting:**  **Roping:**

Talented and athletic gelding, by a son of Bueno Chex. Big, handsome, gentle buckskin. Well balanced, easy mover. Been headed on out of the box. Used extensively on the ranch to gather, sort, ship, brand and more. Handles any type terrain., Has tons of cow. Take him to town as your #1 rope horse or use him on the ranch to get the job done. We call him "Bingo".
