**Stock Horse:**  **Snaffle Bit:**  **Cutting:**  **Roping:**

This year we offer a home bred and raised fancy bay gelding. "Oscar" has been a joy to own and train. He truly represents our breeding with foundation bloodlines top and bottom. He has ample bone and muscling for his 15+ hand body, a big kind eye, beautiful hip and straight legs that end with a big black hoof at each corner. Take him on a trail ride, drag calves to the fire or put him on a cow. Oscar will be a willing and honest partner.
