This is truly one of the nicest geldings we have ever had a chance to offer for sale. He is as versatile as they come, winning not only in cowhorse events but also in english pleasure, trail and reining. My husband, daughter and myself have enjoyed having him to use on the ranch. He is as comfortable outside the arena in rough terrain as he is loping circles or working a cow. A top offering! Call Britt Grimsman for more info 530-945-3212.
