"Tex" is a big, beautiful ranch horse deluxe, he stands 15.2 hands tall and weighs approx 1200 lbs. Ranch raised, one owner horse, used in the arena and out, used a lot in the feedlot. He is as honest as the day is long, give him time off then get on and go. Cowy, athletic, good all around type gelding. For questions and info call Lela 208-312-2686.
