			{	Doc O'lana
			{	Moira Girl
			{	Smokin Jose
			{	War Tari

Stock Horse: Snaffle Bit: Cutting: Roping:

A gentle ranch broke gelding almost anybody can ride and get along with him. Bred as good as they come. Has been used to gather and brand on. "Smoky" is a quiet, level headed horse. He will watch a cow, has spent some time in the cutting pen. Easy to catch and shoe.
