- { Sir Quincys Copy
- { Miss Tiki Reed

- { Majors Expression
- { Machs Malarky

**Stock Horse:**  **Snaffle Bit:**  **Cutting:**  **Roping:**

This gelding has had a lot of riding since spring of 2008. He was ranch born and raised. Used for gathering in rough, steep country, through rocks, streams and worked in the sorting-branding pens. Trailers well, stands tied all day if needed. Travels well and extremely gentle. Good minded horse that anyone can ride.
